**NOTIFICATION OF CHANGE IN ENTITY STATUS
AND CORRECTION OF FEE DEFICIENCY UNDER 37 C.F.R. §1.28(c)**

Sir:

The undersigned representative's firm received electronic communications dated September 17 and September 18, 2007, from the foreign associate representing Assignee, Council of Scientific & Industrial Research, confirming that an inadvertent error was made by not claiming large entity status at the time the above-referenced application was filed. A copy of the aforementioned e-mails are attached hereto. The correct entity status is now established.

The payment for the filing fees of the above-referenced application filed on March 29, 2004, has already been secured and the fee paid therefore of \$394 is added to the total fee due claiming large entity status.

The payment for the late filing of an executed declaration/power of attorney document has already been secured on August 20, 2004, and the fee paid therefore of \$65 is added to the total fee due claiming large entity status.

The payment for a three month extension has already been secured on March 29, 2007, and the fee paid of \$1,020 as indicated in our transmittal document are sufficient government fees for large entity status. It is believed that no further fees are due.

The table below lists the small entity fee paid, its date of payment, the deficiency owed and the total deficiency owed.

Type of Fee	Small Entity Fee Actually Paid	Date of Payment	Deficiency Owed
Application filing fees	\$394	March 29, 2004	\$394
Surcharge for the late filing of an executed declaration/power of attorney document	\$ 65	August 20, 2004	\$ 65
			TOTAL DEFICIENCY: \$459

Since the electronic filing system (EFS) provided by the USPTO is not enabled for the payment of deficiencies related to the entity status change, please charge the required fee of \$459 to Deposit Account No.: 13-4500, Order No.: 3097-4015.

Applicants believe that there are no other fees erroneously paid.

AUTHORIZATION

In accordance with 37 C.F.R. §1.28 (c), the Commissioner is hereby authorized to charge the Deposit Account 13-4500, Order No. 3097-4015 for any additional deficiencies related to fees paid as a small entity.

If the Commissioner has any questions regarding the above matter, or wishes clarification of the matter discussed above, the Commissioner is invited to contact the undersigned.

Respectfully submitted,
MORGAN & FINNEGAN, L.L.P.

Dear Anupam,

Thank you for your prompt response.

Further to your email, we have additional questions. Regarding the entity size of the applicant/assignee "Council of Scientific and Industrial Research", in your email response you state that the applicant is a "Large Entity." However, based on your instruction letter of March 26, 2004, the data sheet indicated that the applicant "Council of Scientific and Industrial Research" was a "Small Entity" and the application initially filed on March 29, 2004 was filed accordingly.

Please inform us of the specific details regarding this change in the entity size/status? For example, when and how the entity status changed.

Should you have any questions or comments, please do not hesitate to contact us. We look forward to your prompt response in view of the upcoming **September 19, 2007** deadline.

Please note that the issue fee and publication fee for a LARGE entity is \$1,700. Since you have already made a prepayment of \$1,000, please remit a further prepayment of \$700 by the **September 19, 2007** deadline (**NEW YORK time**). The invoice is attached herewith for your convenience.

Best Regards,
Serge
